

CECO Fybroc

EU Declaration of Incorporation

CECO Fybroc hereby declares that the following centrifugal pumps fully comply with the applicable health and safety requirements as specified by the EU directives listed.

The declaration is valid provided that the pumps have been fully assembled and no modifications have been made to these units.

Type of Devices

Single Stage Centrifugal Pumps

Models

1500, 1530

This document declares that the equipment provided complies with the basic requirements of the Machinery Directive 2006/42/EC. The following are the EHSR requirements fulfilled.

Specific Standards Applied

1.1.5	1.3.1	1.4.1	1.5.2	1.6.1	1.7.2
1.1.6	1.3.2	1.4.2	1.5.4	1.6.2	1.7.3
	1.3.3		1.5.6	1.6.4	1.7.4
	1.3.4		1.5.7	1.6.5	
	1.3.7		1.5.8		
	1.3.8		1.5.13		
	1.3.9		1.5.14		

All components of the completed machine must adhere to the requirements of the Machinery Directive and must be marked appropriately.

Upon justified request, CECO Fybroc shall be obligated to provide the specific documents regarding the products listed above within an adequate period. The documents will be made available via email.
