Busch

PRODUCTS & SERVICES

- Rolling mill fume exhaust
- Metal strip cooling/drying
- Mill duty ventilation
- Fugitive emission control
- Lead dust control

Fisher-Klosterman

PRODUCTS & SERVICES

- Scrubber multi-purpose, venturi & packed-bed
- High-efficiency, high-temp and severe service cyclones - ASME certified
- Severe service dust collectors
- Pilot scale testing capabilities

HEE-Duall

PRODUCTS & SERVICES

- Chemical scrubbers: fume and acid gas treatment
- Odor control: biological and chemical
- Degasifiers air strippers and carbon absorbers
- Thermoplastic duct and exhaust fans

Kirk & Blum

PRODUCTS & SERVICES

- Industrial sheet metal contractors specializing in:
  - Dust, fume and mist control system design
  - Custom sheet and plate fabrication

CECO ENVIRONMENTAL

CECO Filters

PRODUCTS & SERVICES

- High efficiency aerosol mist elimination systems for oil mist, asphalt and inorganic chemicals
- Standard and custom systems
- Replacement filters, mesh pads and pre-filters
- Retro-fit replacement filters

Adwest

PRODUCTS & SERVICES

- RETOX regenerative thermal oxidizers
- Flameless NOx-free RTO operation
- Acid gas/halogenated RTOs and scrubbers
- RTO service, rebuild and spares for ALL brands
- Biogas catalytic DeOxy and thermal combustors
- VOC concentrators with RTOs

Flex-Kleen

PRODUCTS & SERVICES

- Filtration technology for any particulate product recovery or emissions control
- Specializing in global pressure vessel code filtration systems
- Pulse jet fabric filters and cartridge filter technology
- A global product provider with over 20,000 installations worldwide
- Design, build and installation capability

CECO ENVIRONMENTAL

Enabling industrial companies to grow with clean, safe and more efficient solutions that protect our shared environment.

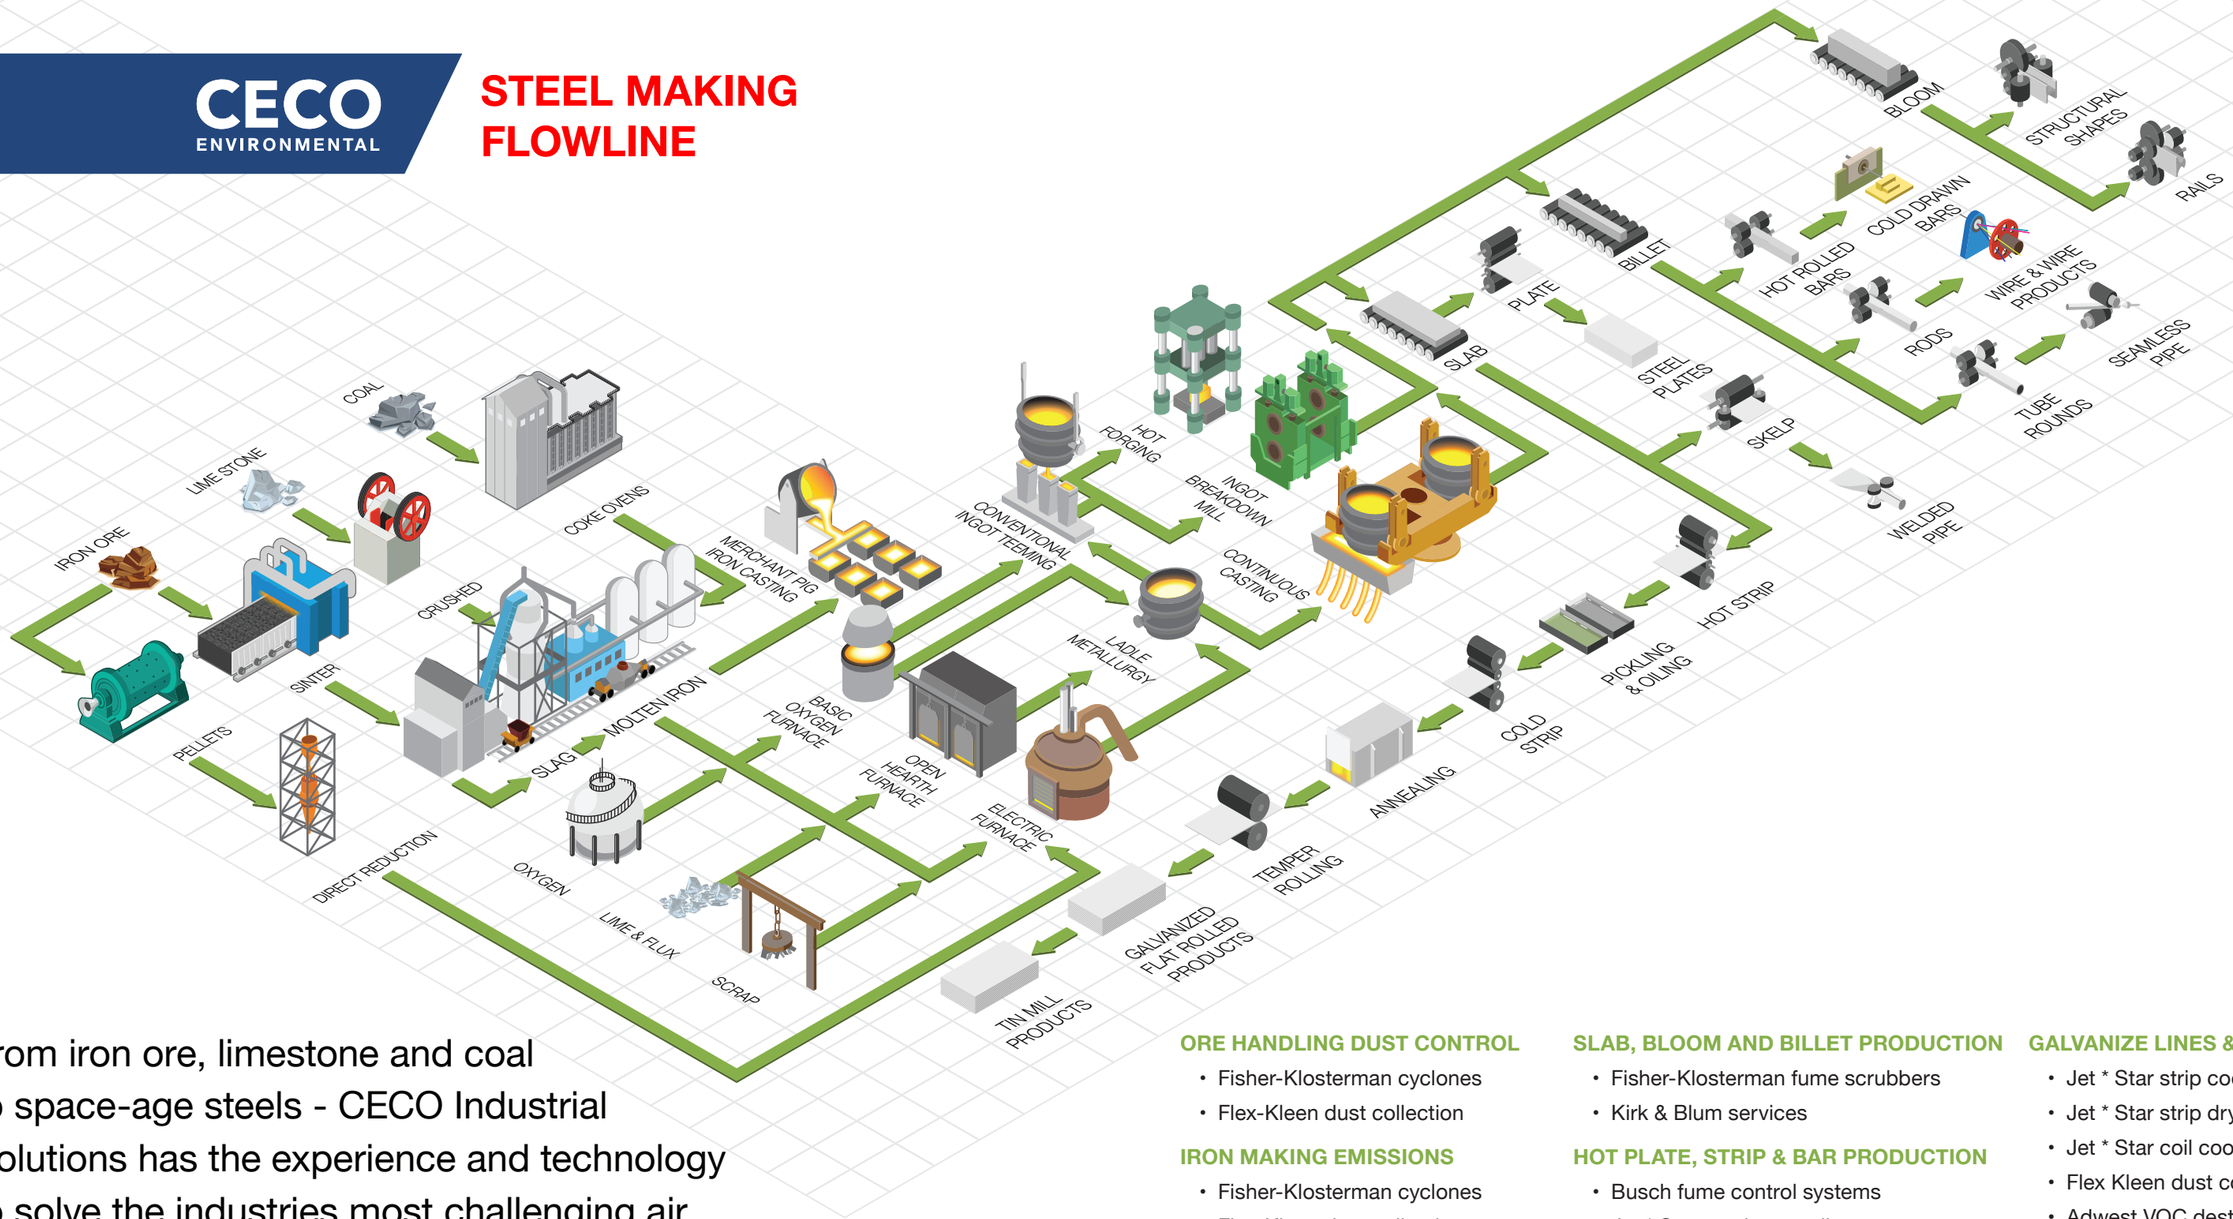

Solutions for the Steel Industry

Serving the Metal Industry since 1949

CECO ENVIRONMENTAL

STEEL MAKING FLOWLINE

From iron ore, limestone and coal to space-age steels - CECO Industrial Solutions has the experience and technology to solve the industries most challenging air pollution control problems.

ORE HANDLING DUST CONTROL
- Fisher-Klosterman cyclones
- Flex-Kleen dust collection

IRON MAKING EMISSIONS
- Fisher-Klosterman cyclones
- Flex-Kleen dust collection

MELT SHOP EMISSIONS
- Busch fugitive emissions filtration
- Flex-Kleen dust collection
- Kirk & Blum services

CONTINUOUS CASTING
- Busch spray chamber exhaust
- Fisher-Klosterman fume scrubbers

SLAB, BLOOM AND BILLET PRODUCTION
- Fisher-Klosterman fume scrubbers
- Kirk & Blum services

HOT PLATE, STRIP & BAR PRODUCTION
- Busch fume control systems
- Jet * Star product cooling
- Busch DC drive motor cooling
- Fisher-Klosterman fume scrubbing

TEMPER MILLS & SKIN PASS MILLS
- Busch fume exhaust
- Jet * Star strip dryers
- Kirk & Blum services
- Jet * Star coil cooling

GALVANIZE LINES & PAINT LINES
- Jet * Star strip cooling
- Jet * Star strip dryers
- Jet * Star coil cooling
- Flex Kleen dust collection
- Adwest VOC destruction
- Kirk & Blum services

PICKLE LINES
- Busch fume control systems
- HEE-Duall acid gas scrubbing
- Jet * Star strip dryers

COLD ROLLING MILLS
- Busch fume exhaust
- Kirk & Blum services
- Jet * Star coil cooling
